## SUMMARY

---

### Passionate Software Developer

A dedicated individual with a solid foundation in HTML, CSS, and Java, developed through educational courses and certifications. Certified Java Developer (NPTEL) with experience in web development and participation in relevant web development webinars. Skilled in software development, problem-solving, and delivering user-focused solutions. Focused on continuous learning, collaboration, and creating impactful technology solutions for community welfare.

## SKILLS

---

**Programming Languages:** HTML, CSS, Java, SQL

**Frameworks and Libraries:** Tailwind CSS, Maven

**Tools and Platforms:** Git, Linux

**Other Skills:** English Typing, Debugging

## EDUCATION

---

### Bachelor of Science (B.sc) in Computer Science

The Madurai Diraviyam Thayumanavar Hindu College  
[2022-2025]

### HSC - CS

Seventh Day Adventist Matric Higher Secondary School

### SSLC

Seventh Day Adventist Matric Higher Secondary School

## PROJECTS

---

### 1) Hospital Management System - [GitHub](#)

Designed and implemented a Hospital Management System using Java and JDBC to manage patient records, view doctors, and book appointments efficiently. The system ensures database connectivity and simplifies hospital operations.

### 2) Netflix Clone - [Live Link](#)

Crafted a Netflix clone homepage using HTML and CSS, demonstrating proficiency in responsive design and layout structuring.
